Why we are not doing more?

Other priorities?  
Lack of planning?  
Lack of awareness?  

Low budget?  
Short term vision?  
Technical difficulties?
**PROPOSED ROLES & RESPONSIBILITIES**

**COLCIENCIAS**
- To update the policy and ask journals to provide digital preservation
- To give funding for implementing a digital preservation solution

**PUBLISHERS**
- To publish under open licenses
- To deposit their content in at least one archiving agency (i.e. PKP PLN - Private LOCKSS Network, when available)

**NATIONAL LIBRARY OF COLOMBIA**
- Develop technical guidelines based on standards
- To provide a digital preservation solution for e-journals
- To advocate for digital preservation (i.e. PKP-PLN)
